We suggest that you arrive at least 30 minutes prior to your first appointment to allow ample time to check in, change, acclimate to the spa environment and enjoy the spa facilities. Please note your service will end on the scheduled time so that the next guest is not delayed, regardless of how late you begin.

WHAT DO I NEED TO BRING?

The Spa provides you with a robe, towel and slippers, in addition to grooming amenities such as shower gel, shampoo, conditioner and moisturizer. Other convenience items are available upon request.

SHOULD I BRING MY VALUABLES?

For the safety of your valuables, we suggest that you lock them in the safe provided in your hotel room. The Spa does not assume any liability for your valuables.

WHAT SHOULD I DO BEFORE MY TREATMENT?

Showering is essential before any treatment, as the beneficial oils are best absorbed through clean skin.

ARE THERE HEALTH BENEFITS TO A SPA VISIT?

The guaranteed benefit of a spa visit is your immersion in a relaxing environment, which reduces stress and contributes to your good health. Many spa services are geared toward easing various aches and pains. Additionally, take-home programs can help you make lifestyle changes for long-term benefits.

SHOULD I ALERT SOMEONE IF I HAVE ANY PHYSICAL AILMENTS, DISABILITIES OR ALLERGIES?

Please notify the Spa Concierge when booking your appointments and inform your therapist at the beginning of your treatment.

SHOULD I AVOID THE SPA IF I'M PREGNANT?

The Spa welcomes expectant mothers after the first trimester. You will want to avoid treatments that use deep pressure and heat. Please advise the Spa Concierge of your due date when booking your appointment and he or she will assist in determining the best treatments for you and your child.

DO I HAVE TO DISROBE ENTIRELY FOR A SPA TREATMENT?

This is your experience and we want you to be comfortable. It is customary for guests to completely disrobe for their spa services, although you may wear a swimsuit or undergarments if you prefer.
